

PERFECT ANGEL

Stitched on a hand-dyed 28ct Wichelt Fabric (Babbling Brook 429-501), over two threads for a 14ct finished size, this little angel is just a wee bit naughty! Although we have given the DMC and ANCHOR color numbers used for our model, the colors are listed as light – med – dark, so you can substitute the colors of your favorite garden, or use floss colors you already have on hand!
